

- 1 For each mask, trace the half face here and then, reversing it in a window, trace its mirror image for the other half of your paper mask.
- 2 Glue onto heavy cardboard.

TRANIO

- 3 Cut around the mask. Cut out the mouth and eyes.
- 4 Cut around the nose, so your own nose can push it outwards.
- 5 Paint in bold colors.

OLD FATHER

CUT AROUND
DOTTED LINE

- 6 Staple elastic or cord at each side so that you can tie the mask on.
- 7 Make the old man's beard longer with strips of curled paper.
