

Latin 2 Fall Semester Project - Gods and Goddesses

Step 1: Complete mythology research on 3 gods/goddesses of your choice.

Step 2: Write down your assigned topics and date here. Ms. Buck will select which of your topics you will present to the class. Do not do this until you have been assigned a topic:

Topics: _____
(Presentation Topic)

Step 3: Select a winning tic-tac toe pattern. You must complete 2/3 of a winning tic tac toe pattern (the boxes need to be touching)

Trading Card	TakeBook	Newspaper Article
Newspaper Article	Biography	Comic Strip
PowerPoint	Instagram	Interview

Trading Card: On half of a sheet of printer paper (or something of equal size) create a baseball card for one of your deities. On the front: A detailed colorful image of your deity. This image should be of your creation. No tracing, no copying, etc. Be creative.

On the back: Important information relating to your deity. You must include: Greek name, family members, what are they the god/goddess of, and a summary of a myth in which they are the key figure. If you need a reference, please see me.

TakeBook: Using the website www.classroom.net/fakebook create a Facebook profile for your deity. Complete all sections of the page. (Profile picture, cover photo, about me, friends list, status updates, posts from friends, etc). All posts need to be created using correct academic grammar, correct spelling, and proper language. Be sure to save your Takebook page and write down the link. You will turn in the link as evidence of completion.

Newspaper Article: You can choose any major event surrounding your deity for this assignment. The purpose of the article is to be exciting, not written as an expository essay. You can either use a newspaper template on the computer, or handwrite it in cursive. It should be at least one complete page. Create a title for your newspaper and other headlines that may have been in that days' paper (make sure your article has an exciting headline as well).

Biography: Handwrite in cursive a biography of your deity. Be sure to include important information such as where/how they were born, family members (spouses, siblings, parents, children, etc), what they are the deity of, major life events, and at least one summary of a full myth story. This should be at least one complete page. Be sure to plan in advance and proofread/edit your paper before submitting it.

Latin 2 Fall Semester Project - Gods and Goddesses

Comic Strip: Your comic strip should contain at least 6 panels. Each panel should include a detailed colored image and a series of dialogue/description. Be sure the panels are large enough to identify details and that the writing is legible. Be sure the writing is enough to progress a story and provide adequate details.

PowerPoint: The PowerPoint should contain the same information as needed in the biography or newspaper article. By choosing a PowerPoint, you are allowed to include images from the internet, videos or sound clips (approved by me in advance), and other electronic media. Please only choose PowerPoint if you feel comfortable making a visually interesting presentation on your own or with the help of your parents. Ms. Buck will not provide technical assistance to this end.

Instagram: Create 6 posts that your deity might have posted to Instagram. Include a caption, tag other people in the photo, and use appropriate hashtags. Who might have like/commented on this picture. Would they have used emojis? Remember, again that you must use appropriate language, grammar, and spelling (except perhaps in the hashtags). Have fun with this one since you all love Instagram! Create this on an Instagram template.

Interview: This assignment can be done in writing, or it can be recorded. Give your interviewer a Roman name and ask thrilling questions. Make sure your interview has a good flow (you are responding to each other, not just asking sequential questions) and that both the interviewer and the deity have some personality. Be sure to include all important details as stated in the biography assignment.

Projects #1 & #2 are to be created as assignments from the tic-tac-toe board. The two projects you select to complete must be touching on the board, either vertically, horizontally, or diagonally.

Project #3 - Image of a minor god/goddess

For your third project you will create a graphic image of a minor god/goddess which you have been assigned. This image should represent your god(dess) connecting with what he/she is the goddess of. Think about your deity being represented on a trading card or a movie poster. What do you want the person looking at the image to know about your deity? What is most important? You are more than welcome to use online or printed resources as inspiration, but the image you create should be your own.

You have many options to complete this graphic image.

- Draw
- Paint
- Digital Imagery
- Mosaic/Collage

The above options are just some choices for you. Choose how you think you will best create this graphic image and be proud to have it displayed in the classroom/school.

Latin 2 Fall Semester Project - Gods and Goddesses

Requirements:

- A graphic image of your god/goddess
- The name of your god/goddess on your image
- Created to a size no smaller than this paper (no lined paper)

Gods and Goddesses Project Checklist

_____ I have selected three deities

_____ I have completed a different project from the tic-tac-toe board for each deity

_____ I included all relevant details for every deity

_____ I did all of my handwriting in my best legible cursive

_____ My pictures are detailed, creative, and original

_____ I practiced my presentation and can speak clearly and effectively for 3-5 minutes

_____ I turned in Project Number 1 on time --- Due Date: _____

_____ I turned in Project Number 2 on time --- Due Date: _____

_____ I turned in Project Number 3 on time --- Due Date: _____

_____ If I created an electronic presentation, it is ready and available to use on my flash drive

Project Number 1: God/Goddess _____

Project Type _____

Project Number 2: God/Goddess _____

Project Type _____

Project Number 3: God/Goddess _____
